Circular No.71/2021

17<sup>th</sup> Dec 2021

To all Units, Affiliates, Office Bearers, CC & GC Members

Dear Comrade,

## **2-day Bank Strike on 16-17 Dec 2021**

2-day countrywide bank strike on 16-17 Dec 2021 at the call of United Forum of Bank Unions was stupendously successful all over the country.

Thousands of employees and officers assembled at different centres and shouted with slogans against the Govt and its policies of privatisation on both days.

Several political parties and trade unions including the Joint Platform of Central Trade Unions and Samyukta Kisan Morcha not only extended solidarity but some of the fraternal trade unions organised demonstrative programme as well, where good number of employees participated. Similar solidarity was expressed by the Unions/Associations of Central Govt and State Govt employees.

On the first day of the winter session of Parliament, the Govt repealed three farm laws due to dedicated movement of the farmers. Similarly, we have to continue our movement and escalate it further in case the Govt decides to move ahead with their agenda. In the process, our campaign among common people and customers must continue.

Bank Employees Federation of India congratulates all concerned to make the 2-day strike successful in an unprecedented manner. At the same time BEFI calls upon all its affiliates and their members to remain prepared for more intensive action programme in the future.

With greetings,

Yours comradely,

**(Debasish Basu Chaudhury)**  
**General Secretary**
