Strongly condemning the decision of privatization of Chandigarh Power Department and in support of Strike of the Power employees of Chandigarh Sri Shankar Dasgupta, General Secretary of AIUTUC has issued the following statement.

"We all know that Chandigarh Union Territory Power department is a profit making organization and its ATC loss is within the single digit.

It is a matter of grave concern, for the interest of the Corporate, the BJP Government at centre has decided to privatise the Chandigarh Power department by way of handing over it to RP Goenka Group as against only Rs. 871/- crores showing dam care attitude to the all-out protest of the Employees and consumers as well.

In the foregoing situation, while extending our all-out support to this strike of the Chandigarh Power workers against the retrograde decision of the Central Government on & from 22.2.2022 to 24.2.2022, we would urge upon the Electricity workers and Consumers across the country to come forward in favour of this just and legitimate strike to save this core sector from profit monger RP Goenka group."
