The Chairman cum Chief Executive Officer,
Railway Board,
Rail Bhavan, New Delhi.

Respected Sir,

Sub.: Proceedings of Central Working Committee (CWC) meeting of
AILRSA held at Naihati/ER on 25th & 26th April, 2022.

Central Working Committee of All India Loco Running Staff Association was held at Naihati (WB) on 25th & 26th April, 2022 under the president ship of Presidium consisting of Com. L. Mony / Central President, Com. N. B. Dutta / Working President & Com. Ramsharan / Vice-President. Meeting adopted the following resolutions.

- 1) This CWC meeting vehemently protest against the instruction from the CRB to frame Mail / Express crew links with an average fortnightly working hours of 100 hours, It may be noted that Railway Board had decided to limit the fortnightly working hours of Mail / Express crew to 90 in early 70s, when the length of trains were just 10 to 12 coaches, no. of signals too less and speed was 100 Kmph and even less. So the meeting demand to withdraw the instruction to ensure safety.
- 2) Central Railway had issued an order no. T108.L53 Diesel Link dated 20/04/2022 through which long hood working of Diesel Locomotives are prohibited for coaching trains. We appreciate the Zonal Administration for realising the potential danger of long hood working, though hundreds of our colleagues were subjected to the trauma of SPAD caused due to long hood working. This meeting demand the Railway Board to prohibit Long Hood working of Diesel Locomotives throughout the rail network.
- 3) This meeting demand the Railway Administration to adopt a time bound programme to provide toilets, drinking water, Air conditioner etc. in all

locomotives. The lady running staff are suffering inhuman deprivation of human rights on account of the above deficiencies.

- 4) There are many reports of curtailing fundamental rights of workers by divisional officers which are highly condemnable. Com. Paras Kumar / General Secretary of SER was booked to office treating the mass demonstration and delegation to GM / SER on 21/03/2022 as part of all India agitation, as an unlawful act. Eleven comrades of Kazipet lobby of SCR are issued charge sheets for raising slogans in protest against unlawful suspension of a Loco Pilot. Sr. DEE / SEC have now issued show cause notice for all those protested at Ballampally of SCR, against expulsion a crew from train who were proceedings to HQ on duty pass. Com. U. Baburajan / General Secretary / SR was punished by withholding his annual increment for one year citing the reason that his speech was aired in media. This meeting urge the Railway Administration to cancel all the above penal actions and suitably advice all divisions and zones to protect the fundamental rights of workers.
- 5) In Eastern Railway in many places Rest Rooms even without toilets are utilized as running room at many places like TDLE, MCCA and Godda (MLDT Divn.), Deoghar and Dumka (ASN Divn.). This meeting demand to abandon those rest rooms or upgrade them to the standard of running rooms.

Programme of actions:-
