IT'S TIME TO INTENSIFY STRUGGLE

Dear Colleagues,

This is to inform you that the representatives of United Forum of Mahabank Unions met on 5th October in online meeting to review first phase of the agitation in which Mass Meetings were held at Nagpur, Nasik, Kolhapur and Aurangabad centres from the state of Maharashtra. Signature Campaign was carried out during 19th to 24th September and Demands Day was observed on 27th Sept.2022 by wearing Badges on our demands. The response from the membership in all the programs was enthusiastic and encouraging.

It is noticed that, on the issue of recruitment, field functionaries also subscribe to our view point. They too are sharing their agony and pain on the pressures & humiliation with which they are required to operate. They are expressing their helplessness and fear in their minds. Entire workforce including executives have welcomed the development of the formation of United Forum of all the unions operating in Bank of Maharashtra. Thus this forum has larger role and responsibility in addressing the situation with great restraint and maturity.

After thread bare discussions, second phase of agitational program was finalised.

DATE	PROGRAMME
Wednesday,12.10.2022	Mass Deputation & Demonstrations at all Zonal Offices.
Saturday,15.10.2022	Mass Deputation & Demonstrations at Head Office, Pune
Sunday,16.10.2022	Twitter Morcha,
Wednesday,19.10.2022	Candle March at Pune.

On 19th Oct.2022 all our representatives will meet once again and will come out with third phase of our agitation including STRIKE actions. In the meantime, representatives of United Forum will make an endeavour to meet to all the Directors of the Bank and also Secretary Banking to impress upon them on our concerns which are not only in the interest of the employees but Bank too.

Friends, we are fighting to defend our hard-earned rights. Our fight is against the policy prescription of the present management and not against any individual or group of individuals. We are on principles. If any individual is attempting to take the institution at ransom, we are duty bound to arrest it. This institution has great legacy. Let us try to preserve it. Let us move forward with total UNITY and March ahead

without succumb to the pressures or without getting distracted with the instigations and provocations from the management. Let us be focused on our Demands.

We appeal one and all for their active participation and involvement in all our programs without any fear in their minds. Let us shape future of this great institution along with that our own future still brighter and glittering.

Wishing you all Happy Dipawali !

Yours faithfully,
