Ref. No.: 105/HPEA/2024

Date: 03.12.2024

To

Honorable Chief Minister,  
Uttar Pradesh Government,  
Lucknow (Madhya Pradesh)

**Subject: - Support for Agitation of Uttar Pradesh Power Engineers and Employees.**

Sir,

Haryana Power Engineer Association is representative body of more than 1200 Engineers, upto the Rank of Chief Engineer in Uttar Haryana Bijli Vitran Nigam, Dakshin Haryana Bijli Vitran Nigam & Haryana Viduyt Prasaran.

We wish to express the unequivocal support of all Power Engineers of Haryana for the ongoing agitation led by Power Engineers and Employees of Uttar Pradesh.

It is deeply regrettable that the State Government has taken a unilateral decision to privatise the Power Sector without engaging in meaningful discussions with Engineers & Employees Unions. This decision also overlooks the alarming issue of non-recovery of defaulting dues amounting to Rs. 1.15 Lakh Crore, which remains a significant burden on the UP Power Sector. Furthermore, this decision overlooks the past failure of Private Players, particularly the example of Agra, which should have been cautionary lesson.

In light of these considerations, the Haryana Power Engineer Association finds the decision of UP Engineers & Employees to protest fully justified. We extend our wholehearted support for the proposed protest action, scheduled to commence from December 6, 2024.

The association earnestly urges the Government of Uttar Pradesh
