Comrade,

This is with reference to your letter seeking support for AILRSA ECoR's protest on 22nd January 2025 at every lobby of ECoR against the step-motherly treatment by Indian Railways in denying a 25% increase in Running Allowance at par with the already implemented increase in Travelling Allowance.

The AIGC ECoR fully acknowledges the fairness and importance of this demand. Running staff play a crucial role in ensuring the smooth functioning of Indian Railways, and any disparity in allowances directly impacts their morale and financial well-being. The denial of a justified increase in Running Allowance is indeed unjust and discriminatory.

In solidarity with AILRSA ECoR, the AIGC ECoR extends its support for this protest. We stand united in advocating for equitable treatment of all railway staff and urge the authorities to address this matter promptly and justly.

We hope that through collective efforts, the rightful demands of the running staff will be acknowledged and addressed appropriately.

Thank you.

Yours sincerely,

(A.K.Das)

Zonal Secretary,
AIGC, E.Co.Railway, BBS
