06th July 2025.

AIFUCTO expresses wholehearted support to 09th July, All India General Strike program
The Joint Platform of Central Trade Union and Independent Associations have given a clarion call for a General All India Strike on 9th July 2025 strongly opposing the pro corporate and neo liberal policies of the Government of India detrimental to the general interest of the country. **They have focused on issues which includes scrapping of undemocratic labour code, legal guarantees for minimum support price for peasants, no to contractulisation of appointment, fair deal to the unorganized sector, steep rise in the price of essential commodities, restoration of old pension scheme, withdrawal of retrograde National Education Policy, 2020** etc. All India Federation of University and College Teacher's Organisation fully endorse the charter of demand and expresses serious concern on centralization, Commercialisation, corporatisation and communalisation of education scenario of the country. Besides Policy perspectives AIFUCTO is also worried about the menace to university Autonomy, Democratic rights of the organization to be consulted on issues affecting the interest of the country and the dignified living conditions of its members and convinced that only a united struggle can save the situation. In this grave and critical situation in which our country is passing through, **AIFUCTO expresses whole hearted support to the All India General Strike on 09th July in the larger perspectives and broader interest of the nation.** AIFUCTO secretariat appeals to all its affiliates to rise to the occasion and extend all your possible support to the General Strike to uphold democracy and constitution of the nation. Further they are requested to intensify their public campaign with the twin slogan of "**Save Public Sector, Save Nation**" and "**Save Education Save Campus and Save Nation,**" . The General Strike is a appropriate call in the present critical juncture and AIFUCTO is committed to make it Grand Success.

Request for kind publication.
