No.RLY/80258/2025/PKD

December 23, 2025

*Sir,*

I would like to invite your kind attention to my various communications ending with letter No.91262/GEN/2025/PKD dated 18.02.2025, and matter raised in the parliament regarding unresolved issues of Loco Pilots, despite various agitations by them on issues faced by these Loco Pilots before the government from time to time. They had organized a 36 hours hunger strike in front of the divisional offices of the railways across the country on 20<sup>th</sup> and 21<sup>st</sup> February, 2025, under the banner of All India Loco Running Staff Association, pleading to implement their 15 demands.

Having failed to redress the grievances by the authorities, Palakkad Divisional Committee of the All-India Loco Running Staff Association has decided to organize a march to the DRM Office in Palakkad, followed by a family dharna on 08.01.2026, pleading to implement their 15 demands, including to repatriate transferred employees, a representation in this regard is attached. Some of the demands of the said association are as under: -

- Repatriate all transferred employees without any delay;
- Grant promotion to all eligible employees;
- Do not impose temporary speed restriction without arranging protection as per GR 15.09(1) c&d;
- Cancel all unjust penal actions;
- Stop serving of call notice during night hours when due from leave/sick leave
- Do not serve call during rest period when resuming duty from periodical rest;
- Register IRT/IDT as per RB directions;
- Relieve employees received NOC; and
- Eliminate 22 hours PR from crew link.
