Sub: Strike Notice for One Day Nationwide General Strike on 12th February 2026 against Four Labour Codes.

Sir,

We hereby give notice that the employees of Bharat Electronics Limited, I.E. Nacharam, Hyderabad, propose to participate in the One Day Nationwide General Strike on 12th February 2026, in response to the call given by the Central Trade Unions and Independent Federations as decided in the National Convention of Workers held on 9th January 2026 at New Delhi.

The strike is being organised in protest against the implementation of the Four Labour Codes and other anti-worker policies of the Government of India, which seriously affect workers' rights, job security, social security, collective bargaining and the right to strike.

In view of the above and the increasing attack on Public Sector Undertakings through privatisation, National Monetisation Pipeline, Public-Private Partnership (PPP) projects and outsourcing of core activities, the working class is left with no option but to resort to united democratic protest.

Accordingly, this Strike Notice is served for participation in the One Day Nationwide General Strike on 12th February 2026.

We request the Management to take note of the above.

Thanking you.

Yours faithfully,
For Bharat Electronics Employees Union

G.Niranjan
General Secretary
