## **All The Constituents of AIFEE**

Sub:-Meeting at Delhi on 9<sup>th</sup>, 10<sup>th</sup> March 2026.

Comrades,

There is a alarming situation as the private corporates and their associations have pressurised the Ministry of Power to place the Electricity (Amendment) Bill 2025 without any delay. Power Ministry is succumbed to the pressure and the Bill 25 is being placed to Loksabha on 10<sup>th</sup> March 26.

Today emergent meeting of NCCOEEE is held. All the constituents attended the meeting. It is decided that on 9<sup>th</sup> March all office-bearers of NCCOEEE alongwith the states office bearers will reach Delhi to participate in the meeting in which all opposition parties Members of Parliament (MP's) will be invited so that a stiff apposition to the bill will be made in parliaments discussions. A campaign for providing details to M.P's in the states and inviting them on 9<sup>th</sup> March meeting be carried over by invitations.

Since the govt has prepared to place the bill on 10<sup>th</sup> March it is unanimously decided in the NCCOEEE meet that all the power workers and engineers will start lightening action on 10<sup>th</sup> March 26. The workers and engineers will leave the work place and register their strong protest on 10<sup>th</sup> March.

As regards AIFEE, I suggest that five office-bearers from Punjab, 2 Tamilnadu, 3 from Karnataka, 2 from Andhra Pradesh & Telangana, Two from Maharashtra, 2 from Rajasthan, 2 from M.P. should attend Delhi morning on both days 9<sup>th</sup> & 10<sup>th</sup> March 26.

The meeting is arranged at Com Surjeet Bhavan at 10.30 A.M.
