**Sub:** Provision of ALPs in MEMU Trains.

**Ref:** Railway Board's letter no. 2024/Elect.(TRS)/138/7 (Com), dated  
04.04.2025.

Railway Board vide letter under reference, had recommended provision of an ALP in MEMU (but Not in EMU). MEMUs operating for distances exceeding 200 km or more have been considered for deployment of ALPs.

On 04.11.2025, a MEMU train has collided in rear of a standing freight train in BSP Division of SECR. After considering the gravity of the accident, Railway Board had advised to provide ALPs in all MEMU trains irrespective of distance and working hours. This issue was also discussed during HQ's weekly meeting in Jan 26. It was decided that all the MEMU's will be provided with ALPs in SER.

In view of the above, it is advised to implement the above instruction i.e. provision of ALPs in all MEMU trains (not in EMU) running in your divisions irrespective of distance and working hours till an instruction contrary to this is again received.

**Encl:** As above
